When you become a member of the Sierra Mono Museum, you are supporting an organization owned and operated by the Mono Indians. The museum is a private, non-profit organization that has been open to the public year round since 1971. Your tax-deductible annual membership dues provide the basis of operations for this cultural asset to the Mountain Community. Whether you take advantage of the unlimited free admission, 10% gift shop discount, attend the annual Membership Dinner held every November, or simply enjoy receiving our newsletter, the *Nuck-a-Hee*, you are part of our museum family. We appreciate your support.

Our mission statement: *"We exist for the specific and primary purposes of fostering a better public understanding and appreciation of Mono Indian Culture, past and present, promoting the cultural development of our community, county, and state through recording and collection of Mono Indian customs, art, and lore, and the establishment and maintenance of building for the preservation and exhibition of this culture."*
